ENROL
NOW!

Hello, 你好, Bonjour!

RIGOLO
comme la vie

We are IDKIDS, a specialist in early childhood since 2000, present in over 70 countries and supporting more than 50,000 children around the world through over 10 brands, which include:

We operate over 50 nurseries in Europe where children are at the heart of a unique, holistic, and trilingual approach. Our objective is not only to prepare children for admission to Kindergarten and Primary schools, but also to develop their social skills, confidence, agility, and prepare them to become global citizens.

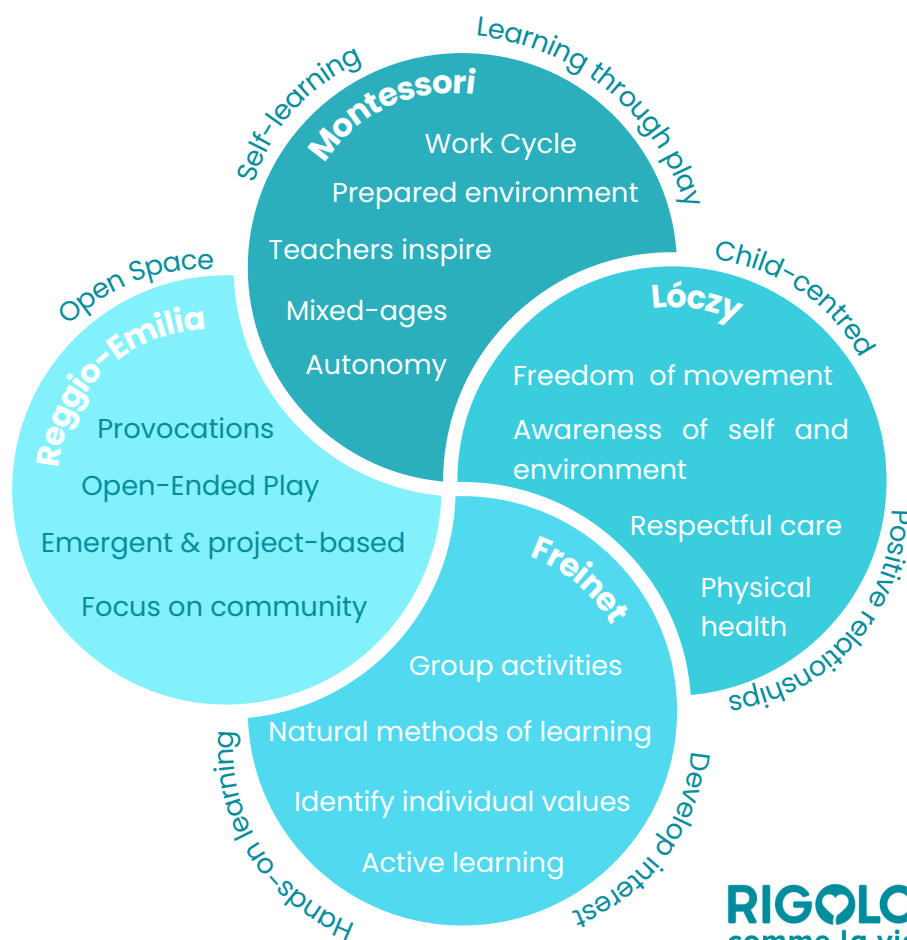

Our programmes are delivered in English, Mandarin, and French for children ages 0-6 years old; there are many proven clinical benefits of a trilingual education including brain agility, better memory, creativity, mental flexibility, thus, increasing their chances of academic success.

Our Holistic and Trilingual Curriculum

At *Rigolo Comme La Vie*, we offer a truly unique and holistic curriculum by blending the best parts of four renowned approaches: Montessori, Reggio Emilia, Feinet, and Loczy. We combine the strengths of each curriculum to provide a comprehensive and enriching learning experience for children.

Through this blended approach, we empower children to become independent learners, fostering their creativity, emotional intelligence, and social skills. By incorporating elements of self-directed exploration, expressive materials, mindfulness practices, and secure attachment, we create a warm and responsive environment that supports the holistic development of every child in our care. Our aim is to provide an educational experience that nurtures their individuality, curiosity, and emotional well-being, setting them on a path of lifelong learning and success.

Our Summer Programmes

We have variety of fun and engaging activities planned for your little ones to enjoy over the Summer! We cater to children between the ages of 1-6 years old.

Toddlers

(1-3 years old)
three (3)
hours per
class Mon-Fri
9am-12pm

Preschoolers

(3-6 years old)
three (3) hours
per class
Mon-Fri
2-5pm

Toddlers 1-3 years old

Our programme is designed to provide many opportunities for children to explore using their senses, develop gross motor skills, engage in music and movement, and learn to be independent. While each lesson focuses on a different set of skills, our Summer Programmes are theme-based and designed to include a combination of following activities:

Sensory Play

- Bubble play
- Sensory ice play
- Water table exploration
- Texture exploration
- Sensory bottles
- Expressive Art
- Outdoor Play

Music and Movement

- Singing & dancing
- Stories
- Musical instruments
- Scarf play
- Parachute play

Gross Motor Skills

- Obstacle courses
- Yoga
- Ball games
- Animal walks
- Play structures

Preschoolers 3–6 years old

Our Preschoolers Class provides children with many opportunities to engage in activities such as STEM, Art, Yoga, Music and Movement etc. We follow the **Early Years Foundation Stage** (EYFS), a framework based in the United Kingdom that supports children's holistic development.

Our early years setting provides preschool children with a safe and supportive environment where they can learn through play, build social skills and develop confidence. The EYFS framework builds on the fundamentals of *Rigolo comme la vie* and provides a structured approach to learning outcomes for children during this critical developmental stage. Our EYFS classroom setting allows our preschoolers to strengthen their skills in 'Communication and Language', 'Personal, Social and Emotional Development' and 'Physical Development' so that they thrive and reach their full potential.

Our Preschoolers Class covers the following **Early Learning Goals**:

Literacy

- Comprehension
- Word Reading
- Writing

Mathematics

- Number
- Numerical Patterns

Understanding the World

- Past and Present
- People, Culture and Communities
- The Natural World

Expressive Arts and Design

- Creating with Materials
- Being Imaginative and Expressive

Circle Time

Themes

Week 1: Under the Sea (1-5 July)

Discover a world of wonder, beauty, and hidden treasures beneath the waves. Join us for an unforgettable adventure under the sea! Children will get to explore different textures, sizes, shapes, and colours, and learn fun facts about each creature this week.

Week 2: It's Beach Time! (8-12 July)

Let's get ready for the beach! Through various sensory activities, children can enhance their sensory skills by doing sand tray activities and water play which promote tactile stimulation.

Week 3: From Farm to Table (15-19 July)

Let us take you on a fascinating exploration of food and how it gets to our table! Let's use our senses to explore food! We will introduce basic gardening activities in our outdoor space.

Themes

Week 4: Junior Summer Chefs (22-26 July)

An exciting learning experience for our little ones to explore and discover the joys of cooking while working on their hand-eye coordination and pincer grasp.

Week 5: The Very Hungry Caterpillar (29 July-2 August)

A fun and interactive learning experience designed to introduce children to the world of Eric Carle's classic children's book. This week, we will focus on doing various physical activities to help boost their gross motor skills, balance, and coordination.

THE VERY
HUNGRY
CATERPILLAR
by Eric Carle

Themes

Week 6: Vroom! Vroom! Vroom! **(5-9 August)**

Through interactive and age-appropriate activities, children will understand various means of transportation. Musical activities such as singing songs, playing instruments, and movement games help children in the development of their fine motor skills.

Week 7: Safari Carnival (12-16 August)

Through interactive activities, children will discover the diversity of African wildlife and engage in hands-on art activities. Children will get to explore and expand their knowledge of the world around them while enjoying a fun summer experience.

What is a 'Work Cycle'?

A Montessori work cycle is a structure for learning where children are able to engage in activities of their own choosing, work on them and reflect on their progress. This helps them develop their interests and allow for deep concentration. The work cycle provides a structured and self-directed way for children to learn and explore their own interests within our prepared environment, while also building important social and emotional skills. This block of time is beneficial for children as it strengthens their ability to work independently and find great satisfaction with their work.

Will there be any child-led activities?

Yes, throughout the course, children will have plenty of free play time both indoors and outdoors, allowing them to explore and discover on their own.

What do we need to bring?

1. Nappies and wet wipes, if not yet potty-trained!
2. A change of clothes.
3. A healthy snack e.g. fruits and veggies are great snacks!
4. A water bottle (or a milk bottle, if applicable).
5. A towel for drying, sunscreen and a hat (if playing outdoors).
6. A positive attitude; finally, children thrive on positive energy! Let's be open to new experiences, and have fun!

Terms and Conditions

'EPHEBOS LIMITED' IS THE LEGAL ENTITY OPERATING RIGOLO COMME LA VIE UNDER AN EXCLUSIVE LICENSE.

*Parents or guardians are responsible for ensuring that their child follows the rules of the programme/event, and respects the property and safety of others.

*Ephebos Limited is not responsible for any injury, loss, or damage to persons or property arising from participation in the programme/event.

*Classes are non-refundable and non-transferable.

*There will be no make-up classes for missed lessons (applicable to Summer Classes only).

*If your child has any food allergies, please let us know at the time of enrolment.

*Please note that activities are subject to change without prior notice and Ephebos Limited reserves the final right to cancel any programmes if the circumstances are deemed not safe (infectious disease outbreak, weather conditions, emergencies) in which case, the families will be notified at least 1.5hr before the session starts.

*Should classes need to be cancelled due to government mandates, a voucher will be offered to families to use for our regular classes instead (with one year validity from the time of cancellation). If a refund is preferred, an administrative fee of \$300 will be deducted from the refund. Please also note that our refund process will take up to 4-6 weeks.

*Photos and videos that are taken during our camps will be used for social media and teacher training purposes. Please inform us in writing if you do not give Ephebos Limited the permission to use your child's photos/videos.

***By registering for our Summer Camps, you acknowledge that you have reviewed and comprehended the terms and conditions.**
